

EXCELLENCE THROUGH COMPETENCY

ABOUT US ?

Faculty of Technology (FTK) was established on 11 April 2011. On 1st June 2018, FTK was rebranded as the Faculty of Electrical and Electronic Engineering Technology (FKTEE). FKTEE was established inconsistent with the objectives of the establishment of Technical Universities under the Malaysian Technical University Network (MTUN) which aims to educate and train highly skilled manpower to contribute to the advanced industrial countries (world class industrial nation), and a catalyst for national strategies in achieving national higher income.

Faculty of Electrical & Electronic Engineering Technology (FTKEE), UTeM currently offers 7 Bachelor of Engineering Technology programmes and 2 Bachelor of Technology programmes which cover two main areas; Electrical and Electronic & Computer
